

January 1, 2017

Dear Valued Customer,

RE: Guarantee

EnviroKure meets USDA National Organic Program (USDA NOP) standards, the new Food Safety Modernization Act (FSMA) standards and Leafy Green Marketing Agreement (LGMA) standards for Biological Soil Amendments of Animal Origin.

EnviroKure guarantees that our products:

1. Comply with the USDA NOP for application without setback restrictions for manure derived fertilizers.
2. Comply with applicable California Department of Food and Agriculture (CDFA) standards, including those for organic input materials without setback restrictions for manure.
3. Will be delivered with a certificate of analysis to show compliance with FSMA and LGMA microbial standards for application without setback from harvest. All products are tested for:
 - L. monocytogenes
 - Salmonella species
 - E. coli O157:H7
4. Contain the minimum amount of nutrients stated on the EnviroKure label.
5. Are delivered as listed on the EnviroKure sales order

This guarantee applies to all EnviroKure Liquid Organic Fertilizer products. Any EnviroKure product that is determined to be defective will be replaced or purchase refunded.

We thank you for your business and your interest in EnviroKure Liquid Organic Fertilizer

Sincerely,

Ward Wright
